d semebody ought to know how to esent reasons why this burden should t be placed upon our people. "Some people say the problems of y government are difficult. I deny and I assert that what we need out is that there shall be men of Sourage and honesty in all our depart-

Morals in Issue.

"At the risk of my political life and reputation, I declare that the morals of this community demand first consideration at the hands of the people. All the great banks and financial institutions of our city will be but dast if they are to be had at the expense of the morals of the community.

"If I am re-elected, I want to be the Mayor of all the people," said Captain McCarthy, replying with characteristic investive to Judge Richardson's declaration on this point. "And if you are the people," he continued "who stand for the upfullding of this community, then I will be your Mayor, but if you are the people to degrade and corrupt the youth of the community, then I will be the Mayor to see that you are punished to the fullest extent of the law.

"I don't want the office of Mayor un-

w.

"I don't want the office of Mayor unis I am qualified to fill it. I had
ther quit it and struggle some other
y for a living than to feel that I
id an office which conferred hone
on me when I could not confer digy upon the office.

Challenges Criticism.

"I may not have pleased the politicians, but I ask did anybody ever catch me trying to please them?
"I dare any man to say I ever wavered in any conviction I ever held on any question."

BE HELD TUESDAY

Finally the Mayor said it had been subtracted, and that few as not on friendly relations with the Council, in denying this, he declared that four out of five of his veto messages had been sustained, and that twenty-one out of the first-five Councilmen and fifteen out of twenty-one Aldermen had volunteer, and their support in the present conditions. their support in the present con-

sible Mayor," he declared, in conclusion, "but I will go on the platform with any man in the United States and

DOCTOR FINED FOR

THE MINIMUM FINE IMPOSED

In the Police Court yesterday morning Dr. Albert G. Franklin, Jr. a physical or to No. 101½ West Grace Street was fined \$10 for failure to notify the proceeding of the process of the process

out." as he had suspicions that the case might be one of chickenpox. he had not determined what the girl was suffered from, and therefore did not report the case. As stated, he was suspect smallpox at all.

Two medical students who boarded that he period of incibation was so that the period of incibation was so that they could not have caught the decase from the cook. Justice Crutchfield dismised this charge, and heard the testimony of Miss Kennon, who came here from Caroline county on a visit, and while here suffered from a reruptive disease, from which she has since recovered. Dr. Franklin's decay the would at once have reported the matter to the Board of Health.

Textimony Convincing.

The testimony of Miss Kennon, however, was convincing to the court. She stated that she had a "breaking out of some bimps," that Dr. Franklin was called, and that he told her she had chickenpox. Dr. Franklin visited her four times, and she paid him \$2 for each visit, Justice Crutchfield imposed the minimum sentence, a fine of \$10, not recognizing the terms of the ordinance which makes each day's failure are proport a separate offense. An appear was taken and the case was certified to the Hustings Court.

"I want the doctors of this city to comply strictly with the laws and ordinance which makes each day's failure are proported as the proportion of the first of the

ant and valuable ingredients — Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-

dicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or billousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its make-up.

A glance taxthe full list of its ingredients, printed on every bottle-wrapper, will show that it is hade from the most valuable medicinal roots found growing in our American forests.) All these ingredients have received the strongest of decision of the strongest of the strongest
